JOURNEYS INTO BLISS, Visual Meditations + Music, is a DVD featuring a slow motion unfolding of original hand painted works of art by Tibetan thanka (sacred art) master Karma Thupten, digitized and set to the music of Tibetan bell master **Karma Moffett** in Tracks One and Two, with music and mantra chants by **Deva Premal, Miten, and Friends** in Tracks Three and Four.

RECOMMENDED USE:

JOURNEYS INTO BLISS may be used anywhere you can play a DVD – in your home or in the relaxation room of a spa, hospital, hospice or even on laptop or portable DVD player while you are traveling. The continuous play tracks are ideal for use on plasma or LCD screen TVs to create a serene peaceful atmosphere.
